

## CELLB9™ Launch PMI Next Generation Healthcare

**VANCOUVER, British Columbia, June 01, 2016 - Preveceutical Medical Inc.** ("Preveceutical", or the "Company"), a health and wellness company focused on combining nature and science for the benefit of health conscious consumers, is pleased to announce that **CELLB9™** is now available for sale.

CELLB9™ is an oral solution containing polarized and potentiated essential minerals extracted from a novel peptide, obtained from Blue Scorpion serum. The active potentiated ingredients in the Blue Scorpion serum appear to support health at a deep cellular level, having been used for many years and in over 40 countries. The solution is colorless and odorless and can be administered orally.

"CELLB9™ and other products developed from Blue Scorpion Venom and Polarization Technology will form a strong set of related products for the Company," said Stephen Van Deventer, Chairman and CEO at Preveceutical. "We are presently negotiating national distribution agreements on a country-by-country basis for the sale of CELLB9™, and will be pursuing additional research and formulations of Blue Scorpion Venom."
