PREVECEUTICAL ENTERS INTO LOAN AGREEMENTS

Vancouver, British Columbia, June 17, 2024 - PreveCeutical Medical Inc. (the “Company” or “PreveCeutical”) (CSE: PREV) (OTCQB: PRVCF) (FSE: 18H) announces that it has entered into a series of unsecured, non-convertible and interest-free loan agreements with, the Company’s Chief Executive Officer, interim Chief Financial Officer and Chair, Stephen Van Deventer, and the Company’s former President and director, Kimberly Van Deventer (collectively, the “Lenders”), in the aggregate amount of \$297,731.00 (the “Loans”).

The proceeds of the Loans are intended to be used for working capital purposes.

Stephen Van Deventer’s participation is considered to be a “related party transaction” as defined under Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions* (“MI 61-101”). The Company has relied on the exemption from the minority shareholder approval requirement of MI 61-101 contained in section 5.7(1)(f) of MI 61-101 in respect of such insider participation.

Forward-Looking Statements

Cautionary Note Regarding Forward-Looking Statements: This release includes certain statements and information that may constitute forward-looking information within the meaning of applicable Canadian securities laws. Forward-looking statements relate to future events or future performance and reflect the expectations or beliefs of management of the Company regarding future events. Generally, forward-looking statements and information can be identified using forward-looking terminology such as "intends" or "anticipates", or variations of such words and phrases or statements that certain actions, events or results "may", "could", "should", "would" or "occur". This information and these statements, referred to herein as "forward-looking statements", are not historical facts, are made as of the date of this news release and include without limitation, statements regarding discussions of future plans, estimates and forecasts and statements as to management's expectations and intentions with respect to, among other things: the Company's anticipated use of proceeds of the Loans; and the Company's plans relating to the development, clinical trials and commercialization of its products.

These forward-looking statements involve numerous risks and uncertainties and actual results might differ materially from results suggested in any forward-looking statements. These risks and uncertainties include, among other things: the Company being unable to use the proceeds of the Loans as anticipated; the Company being unable to execute its business plans as intended; recent market volatility; and the state of the financial markets for the Company's securities.

In making the forward-looking statements in this news release, the Company has applied certain material assumptions, including without limitation, that: the Company will be able to use the proceeds of the Loans as anticipated; and the Company will be able to execute its business plans as intended.

Although management of the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking statements or forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking statements and forward-looking information. Readers are cautioned that reliance on such information may not be appropriate for other purposes. The Company does not undertake to update any forward-looking statement, forward-looking information or financial outlook that are incorporated by reference herein, except in accordance with applicable securities laws. We seek safe harbor.
