**PreveCeutical Announces Rescheduled Date for Annual General and Special Meeting and
Non-brokered Private Placement**

Vancouver, British Columbia: PreveCeutical Medical Inc. (the “Company” or “PreveCeutical”) (CSE: PREV, OTCQB: PRVCF, FSE: 18H), announces that, further to its News Release of June 25, 2025 and July 8, 2025 it has rescheduled its annual general and special meeting from September 5, 2025 to September 29, 2025 at which the shareholders (the “**PreveCeutical Shareholders**”) of the Company will be asked to approve:

- (i) the election of Stephen Van Deventer, Makarand Jawadekar, Linnéa Olofsson, Kathleen Rokita and C. Evan Ballantyne as directors of the Company;
- (ii) the ratification of the appointment of Davidson & Company LLP, Chartered Professional Accountants, as the auditors of PreveCeutical for the financial year ending December 31, 2024 and 2025;
- (iii) a plan of arrangement under the provisions of Division 5 of Part 9 of the *Business Corporations Act* (British Columbia), pursuant to which the Company will distribute up to 12,000,000 common shares of BioGene Therapeutics Inc. (“**BioGene**”) to the PreveCeutical Shareholders; (the “**Arrangement and Distribution**”); and
- (iv) the adoption of the PreveCeutical’s Omnibus Equity Incentive Plan.

Once the Arrangement and Distribution is complete, the PreveCeutical Shareholders will own shares in two companies: BioGene, which will focus on the development of the Dual Gene Therapy program, and PreveCeutical, which will continue to focus on developing innovative options for preventive and curative therapies utilizing organic and nature identical products.

PreveCeutical believes that the Arrangement and Distribution is in the best interests of PreveCeutical and the PreveCeutical Shareholders for numerous reasons, including that separating PreveCeutical and BioGene will expand both PreveCeutical’s and BioGene’s potential shareholder base and access to capital for research, development and clinical trials by allowing investors that want specific ownership in the particular business of BioGene the opportunity to invest directly in BioGene rather than through PreveCeutical.

The Company also announces a non-brokered private placement (the “**Offering**”) of up to 25,000,000 units in the capital of the Company (the “**Units**”) at a price of \$0.04 per Unit for gross proceeds of up to \$1,000,000. Each Unit consists of one (1) common share of the Company (each, a “**Share**”) and one-half (1/2) of one Share purchase warrant (each whole warrant, a “**Warrant**”). Each Warrant entitles the holder thereof to purchase an additional Share (each, a “**Warrant Share**”) at an exercise price of \$0.06 per Warrant Share for a period of two years from the closing of the Offering (the “**Closing**”). Finder’s fees may be paid in connection with the Offering.

The Company intends to use the aggregate gross proceeds from the sale of the Offering to pay outstanding payables, for operating expenses and for general working capital purposes.

All securities issued in connection with the Offering will be subject to a statutory hold period expiring four months and one day after the Closing. Completion of the Offering remains subject to certain conditions, including, without limitation, confirmation of no objection from the Canadian Securities Exchange (the “**CSE**”).

The securities issued under the Offering have not been and will not be registered under the United States *Securities Act of 1933*, as amended (the “**Securities Act**”), and may not be offered or sold in the United States absent registration or an applicable exemption from the registration requirements under the Securities Act. This news release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.
